NOTICE TO PROVISIONAL VOTER/POLLING PLACE ID RECEIPT

A determination whether your ballot will be counted will be made by the early voting ballot board after the election. A notice will be mailed to you within 30 days of the election at the address you provided on your affidavit to vote a provisional ballot indicating either (1) that your ballot was counted or (2) if it was not counted, the reason your ballot was not counted.

If your reason for voting provisionally was due to lack of identification and you do not have a permanent disability exemption indication on your voter registration certificate, please read the following information.

If you are voting in the correct precinct, in order to have your provisional ballot accepted, you will be required to visit your local county voter registrar's office (information provided below) within six days of the date of the election to either present one of the below forms of photo ID OR submit one of the temporary affidavits addressed below (e.g., religious objection or natural disaster without an ID) in the presence of the county voter registrar. The process can be expedited by taking this notice with you to the county voter registration at the time you present your identification (or execute your temporary affidavit); however, taking this notice is not a requirement.

A voter is required to show ONE of the following forms of photo identification at the polling location before the voter may be accepted for voting in Texas' Elections:

With the exception of the U.S. citizenship certificate, the identification must be current or have expired no more than 90 days before being presented for voter qualification at the polling place.

NEW FORMS OF IDENTIFICATION

- Texas Driver's License
- Personal Identification Card
- United States passport
- United States Military identification card with photo
- United States Citizenship Certificate with photo
- Concealed handgun license issued by the Texas Department of Public Safety
- Election Certificate*

*If you do not have a valid form of photo identification, you may apply for a free Election Identification Certificate at your local Texas Department of Public Safety office.

PERMANENT EXEMPTION

Voters with a disability may apply with the county voter registrar for a permanent exemption. The application must contain written documentation from either the U.S. Social Security Administration evidencing applicant's disability, or from the U.S. Department of Veterans Affairs evidencing disability rating of at least 50 percent. The applicant must also state that he/she has no valid form of photo identification. Those who obtain a disability exemption will be allowed to vote upon display of voter registration certificate reflecting exemption.

OR

TEMPORARY AFFIDAVITS

Are available at the county voter registrar's office for voters who have a consistent religious objection to being photographed OR who do not have any photo identification as a result of certain natural disasters as declared by the President of the United States or the Texas Governor.

I hereby state that I have presented a form of identification (or executed an affidavit) to the county voter registrar's office.
